Day One: Monday May 8, 2017

Our group departure from Carson City and Reno and travel via deluxe Motorcoach with a deluxe continental breakfast served on board. We will travel the scenic Carson Pass to Jackson where we'll stop for a hosted buffet lunch at the Jackson Rancheria. Following lunch we'll proceed to historic Hwy 49 as we travel through the Gold Country.

Home to one of the largest collections of carriages and wagons in the nation, **Angels Camp Museum and Carriage House** features more than 30,000 square feet of exhibits on Gold Rush history. Visitors can stroll through the beautifully landscaped historical park to explore extensive indoor and outdoor exhibits that include a doctor's office and The Mark Twain Exhibit, as well as ranching and artisan exhibits. Continuing through the museum, visitors can also view two steam traction engines and exhibits highlighting mining equipment such as an overshot water-wheel in its original location, a hydraulic monitor, drills, ore cars and even a working model of a famous stamp mill. Stop by the gift shop for one-of-a-kind souvenirs including a copy of Mark Twain's infamous story 'The Celebrated Jumping Frog of Calaveras County.'

Following our visit to the Angels Camp Museum we'll continue down Hwy 49 and then to the luxurious accommodations at the Black Oak Resort. Near the majestic splendor of Yosemite National Park, Black Oak Resort & Casino brings the beauty of the Sierra foothills into a world-class destination for gaming, dining and entertainment. (Casino Cash of \$20 & Food Credits of \$10 will be presented upon arrival)

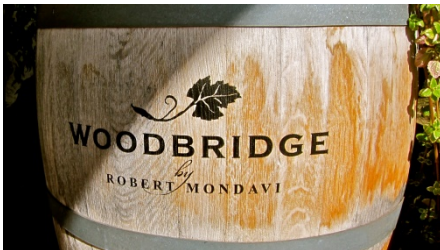

Day Two: Tuesday, May 9, 2017

Today is all about the grandeur of Yosemite National Park. We'll make an early departure from the Resort and enter the Park through the west entrance and travel to the Valley Floor. Time will be allowed to visit the Yosemite Village before enjoying 5-star dining at the historic Ahwahnee Hotel (now known as the Majestic Yosemite Hotel). Later this afternoon we'll go to the Yosemite Lodge where our Two Hour Valley Floor Tour begins. During this narrated tour you'll see so much of the park and hear the legends, facts and

trivia of this amazing work of Mother Nature. Early this evening we'll depart Yosemite and return to Black Oak Resort for our second nights' stay.

Day Three: Wednesday, May 10, 2017

We'll say goodbye to the Black Oak Resort this morning as we travel west into the valley and the wonderful wine country of Lodi. Our first stop will be at Woodbridge by Robert Mondavi, where you'll have a chance to experience the wines that bring joy to the table. Following our tasting and visit, we'll head for lunch.

The Dancing Fox is more than a small family run winery pouring over twenty estate grown varieties and blends. Because we believe in everyone pursuing their own passion the Dancing Fox is also a restaurant, bakery and most recently a brewery. There is both indoor and outdoor seating featuring mostly Belgium antique furnishings. Fountains splashing amongst the many plants and flowers provide a comfortable and romantic place to eat and drink. The Dancing Fox is situated in a restored century old brick building in the historic part of downtown Lodi on beautiful School Street. Just be mindful of the Dancing Fox, fairies and other mischievous creatures. They will do anything for a scrap from your plate! Following lunch we'll board our coach for the return journey home.
