Laughlin!
Our Original Tour!

February 25-March 2, 2018
(Sunday-Friday)

It is our pleasure to introduce (or re-introduce) you to Laughlin – our magical oasis in the desert. Near perfect year-round temperatures create a climate made especially for fun. From walking along or boating on the Colorado River to enjoying your favorite game in one of our many casinos, there is a little – or a lot – of something for everyone to do.

With outstanding weather, clean dry air, and clear blue skies...
there is simply no better place to revitalize your mind and body. Come see how!

We're going back to the "roots" of our tour, first ran more than 25 years ago. We'll stay at the original Riverside Resort, Don Laughlin opened in 1968, the first casino built as the preferred alternative to Las Vegas. Laughlin delivers an incredibly beautiful riverside setting, and a friendlier, laid back and safe atmosphere. Looking for a break from Casino action? We have all types of excursions available!
