

SSA & SPARKS TRAVEL CLUB PRESENT:

Tuesday February 5th 2019

Join us as we take a tour of this beautiful New dispensary, a one of a kind facility that includes a sun lit Greenhouse, a state of the art commercial kitchen production facility and extraction lab in a large modern 8,000 square foot dispensary. SoL's commitment to the cannabis community runs deep. Long before they were a business, they were patients. SoL is a locally owned award-winning producer of artisan flowers, pure extracts and healthy edibles. We believe that superior sun grown cannabis products are a result of the finest ingredients, mindful grow methods, and a commitment to the end user. Our products are grown on site, our concentrates are extracted on site, and our edibles are produced on site. You will have plenty of time to shop and ask any questions that you may have.

We will also be making a stop at the Chocolate Nugget Candy Factory, family owned by third generation candy makers. Originated in Ohio, they made candy in the Great Depression to supplement the family income, then relocated to Washoe Valley in 1983. They are known for their "Richest Chocolate in the West", making all their own Carmel, fudge, fresh chocolate and roasting of nuts. We will also be stopping for a hosted lunch at Toiyabe Golf Club located in beautiful Washoe Valley.
