Early group departures this morning start in Reno & Carson City. Board your deluxe motorcoach for transportation south along Hwy 95. A continental breakfast is included on the bus this morning, as well as refreshments that will be on board throughout the tour.

The towns we travel through today & tomorrow in rural Nevada are all spaced just about 2 hours apart. In the early days of horse & carriage that span was a full day of travel. With the convenience of modern

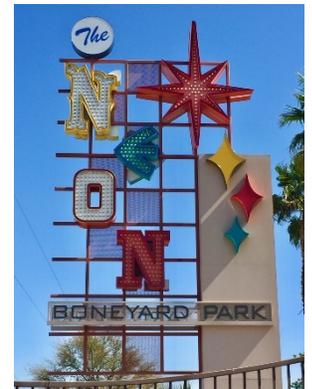

transportation, we'll be able to arrive in Tonopah in time to visit the beautifully restored to its opulent past - Mizpah Hotel - where we'll enjoy a hosted lunch. Opened in 1907, this five-story hotel was the tallest building in Nevada for several years. After lunch you'll have time to look around this grand old lady or perhaps visit their jewelry store with its locally mined and handmade turquoise pieces. After

lunch we'll proceed on to the north end of Las Vegas and our overnight stay at the Santa Fe Station. Recently awarded the "Best Blackjack" award by the Las Vegas Review-Journal, and for good reason – they are home to some of the best gaming opportunities in all of Clark County! With more than 2,700 slot machines, 39 gaming tables, a 24-hour, 14-table live Poker Room and all of your favorite casino games. With several restaurants, beautiful hotel rooms, movie theater and more it's a great way to start your Laughlin tour.

**Day Two: Monday February 18, 2019**

Enjoy breakfast on your own this morning before our 9am departure. We'll travel a bit further into the heart of Las Vegas this morning. To the Neon Boneyard! Founded in 1996, the Neon Museum is dedicated to collecting, preserving, studying and exhibiting iconic Las Vegas signs for educational, historic, arts and cultural enrichment. The Neon Museum campus includes the outdoor exhibition space known as the Neon Boneyard, a visitors' center housed inside the former La Concha Motel lobby and the Neon Boneyard North Gallery which houses additional rescued signs. We'll enjoy an overview followed by a self-guided tour of the Boneyard & museum.

Later this afternoon we'll continue on to our home for the next three nights along the beautiful Colorado River – at the Edgewater Resort in Laughlin. Stay where the best casino and entertainment action meets affordability. Our guests will also be included in any Bingo or Slot tournaments they have going on during the time we're there. For those of you that want to, we'll board our coach at 9:00am for a day's excursion (no advance reservations required, no additional charge). Wild Burro's panhandling, gunfighters shooting, and ladies dressed in 1890's style strolling....it must be Oatman, Arizona. Just across the Colorado River and up the hill from Laughlin, Nevada on Historic Route 66 is the lively gold mining town of Oatman. In its heyday of the early 1900's to the 1940's, Oatman was one of the largest producers of gold in Arizona. We'll have time here to enjoy the town – explore museums, enjoy lunch on your own and visit the unique shops on Main Street.

On our way back to Laughlin we'll make a stop at Avi Resort – located on the river south of Laughlin – for a no host lunch stop & some time to explore the casino - and then return back to the Edgewater around 3:30pm for our 2<sup>nd</sup> night stay
