

## SSA & SPARKS TRAVEL CLUB PRESENT:

### Horton Iris Garden Tour Saturday May 4, 2019

Located in Loomis, CA you will experience a peaceful country visit to our iris farm that includes about 1200 varieties of irises to see in bloom and purchase. Irises will inspire all your senses!! Some are fragrant, some are historic, some are reblooming (bloom again in the fall or whenever happy), some have flounces or fuzzy horns, some are lacy, and most are very ruffled.

It was a hobby that grew quickly and got out of hand. In 1990, Mary Ann started gathering many unnamed historic iris rhizomes in the surrounding countryside to landscape down the long driveway and around the 100-year-old farm house. Once she discovered sources for newer hybridized irises, she couldn't clear the weeds fast enough. In 1999, she opened her gardens to the public. Today, a 5-acre park-like setting is dotted with rows of labeled iris and we'll enjoy our picnic lunch in this scenic setting. Also, planted are over 60 varieties of daylilies, several varieties of lavender. There is an art display wall for artists, plus Doug Horton's jewelry and garden art for purchase.
