

SSA & SPARKS TRAVEL CLUB PRESENT:

Monday May 20th 2019

Join us as we receive an Educational Talk and Tour of this beautiful new dispensary, a one of a kind facility that includes a sun lit Greenhouse, a state of the art commercial kitchen production facility and extraction lab in a large modern 8,000 square foot dispensary. SoL's commitment to the cannabis community runs deep. Long before they were a business, they were patients. SoL is a locally owned award-winning producer of artisan flowers, pure extracts and healthy edibles. They believe that superior sun grown cannabis products result in the finest ingredients, mindful grow methods, and a commitment to the end user. The team at SoL are dedicated to help educate guests about pain management, sleep aids and so much more. They are happy to answer any questions you might have. It's a completely different experience from the other local dispensaries, with couches and conversation areas away from the sales counter that you can learn about possible benefits from their team members.

We will also be making a stop at the Chocolate Nugget Candy Factory, family owned by third generation candy makers. They are known for their "Richest Chocolate in the West", making all their own Carmel, fudge, fresh chocolate and roasting of nuts. We will also enjoy a hosted lunch at Toiyabe Golf Club located in beautiful Washoe Valley.
