

SSA & Sparks Travel present:

The Tahoe Heritage Foundation's 26th Annual
Great Gatsby Festival

Sunday, August 11, 2019

Imagine if you will, the superfluous nature of life for the wealthy during the "roaring" 1920's. Expenses to the wind! And Prohibition along with it! This was the life for those of wealthy descent, and South Lake Tahoe was no different for the Pope, Baldwin, and Tallac families during that famous decade.

The Tallac Historic Site, host to the Pope, Baldwin and Valhalla Estates, is a prime example of the decadent lifestyle these famous families shared, and the Great Gatsby Festival, held annually by the Tallac Historic Society, pays homage to a different time in American history with a living replication of the life and times of those who were lucky enough to reside in Lake Tahoe during it's time.

Tea & Vintage Fashion Show - A Gatsby Festival Time-honored Tradition!

Transport yourself to another time when life seemed a lot simpler. Experience this lovely tradition in the relaxing and gorgeous ambiance of 'tea on the lawn' at the Heller Estate (Valhalla Grand Hall Lawn) with the sounds of summer and the blue of Lake Tahoe around you, while you and your friends enjoy delicious finger sandwiches, scones with jam, and mini pastries served on lovely three-tiered platters. Try selected teas served by maids and butlers (volunteers). Prohibition was everywhere in the 1920's so Shhhh...trade your tea out for some champagne! Yesteryear Sierra, Cherie Oliver, will present authentic vintage fashions to honor our 2019 theme.

1920's attire is encouraged but not required. We invite you to enjoy a celebration of the Rip Roaring '20s with a variety of events including: Guided Tours, Vintage Automobiles, Historical Talks, Period Clothing and Jewelry Vendors, Family Games & Activities, Food & Drink and so much more!
