

# Silver Sierra Adventures & Sparks Travel Clubs present: Safari West

***September 30<sup>th</sup>- October 1<sup>st</sup>, 2019***

Discover wildest Africa in the heart of wine country! At Safari West, every day means adventure as we journey out in search of herds of wildebeest, romping rhinos and towering giraffes. From ring-tailed lemurs to the dazzling zebra, nearly 900 animals from over 90 unique species roam through our 400-acre preserve. All that's missing is you. We will get to enjoy this great opportunity by traveling around on their Safari Jeeps for a fully guided walk and drive tour. Following the tour we will enjoy their BBQ lunch and we get to see a neat animal presentation where we will see some animals up close before our journey here ends.

On this trip we will also be visiting The Charles M. Schulz Museum and Research Center. It is a museum dedicated to the works of Charles M. Schulz, creator of the Peanuts comic strip.

The museum opened on August 17, 2002, in Santa Rosa, California. The museum is home to many of the original Peanuts strips, as well as other artwork by Schulz. Docents are available to explain exhibits and answer questions.
