the Presidio – the City’s Great Escape! Featuring its History & More!

November 5-7, 2019

Welcome to the Presidio! This inspiring setting at the Golden Gate has a remarkable history and a fascinating present as a unique national park that welcomes all. Join us as we visit the Presidio, where San Francisco began. This inspiring setting at the Golden Gate was home to native peoples for thousands of years. In 1776, Spain established a military fort on this land. After winning its independence from Spain in 1821, Mexico controlled the post and established a new pueblo nearby called Yerba Buena (later known as the city of San Francisco). In 1846 the Presidio became a U.S. Army post. Generations of soldiers passed through its gates, serving our nation around the world. The Army departed in 1994, and the Presidio became a national park site. Today, the Presidio welcomes all with its beauty, nature, history, recreation, and so much more!

We'll spend most of the day at the Presidio, exploring the Main Post and the heart of the Presidio. Included will be a stop at the brand-new Visitor's Center, the Presidio Officer's Club, the infamous Yoda statue and more. We will have our own local guide on board with us to tell us the history and answer your questions. AND...we'll make a visit to the Walt Disney Family Museum located here on the Main Post. Celebrating their 10<sup>th</sup> year, this Museum features Mr. Disney – “The Man, His Story, His Work, His Innovations”. Also included is the special exhibit “Mickey Mouse – from Walt to the World”.

Day One: November 5, 2019 Tuesday

---

Board the coach this morning in Carson City or Sparks and proceed over the beautiful Sierra's as we head west to San Francisco. Enjoy a deluxe continental breakfast on board this morning – as well as refreshments served throughout the tour – as we make our way into the City. We'll stop for a no host lunch break, but plan to arrive at the beautiful Hotel Zephyr around 2pm (rooms may not be ready until 4, but we'll hold on to your carry-ons for you). And welcome to The Hotel Zephyr in San Francisco. We've hit the reset button on San Francisco's coolest part of town. Our Fisherman's Wharf hotel offers necessities like smart TVs with in-room multimedia streaming and even pet-friendly accommodations. We've got everything you want...and a few surprises! Hotel Zephyr's refreshed guest rooms and suites have the city buzzing; accommodations feature postcard-perfect views of San Francisco Bay and the city skyline. Our hip outdoor space offers numerous perks including a fire pit surrounded by cushy chairs, shuffleboard and high-top tables. We'll have two nights to explore the area from this perfectly perfect location, and the afternoon & evening are at your discretion to sightsee, shop, and enjoy a no host dinner. We will have area maps showing you all of your touring, shopping & dining suggestions.

Day Two: November 6, 2019 Wednesday

---

Enjoy breakfast on your own at any of the surrounding restaurants, or the “food truck” located in the outdoor patio of the Zephyr. We will meet back on the coach this morning with a local guide who will narrate for us and let us know the history and the significance of the Presidio, both past & present.

Newly opened in 2017, the William Penn Mott, Jr. Presidio Visitor Center is the "front door" to the park experience. It offers friendly staff and volunteers, engaging exhibits, maps, videos, and

information on this amazing park. Then it's on to the Presidio Officers' Club - A Museum and Cultural Center. This is San Francisco's most historic building and now offers exhibits tracing the Presidio's past and present.

Fort Point's location is another reason to visit. Set right below the Golden Gate Bridge's southern approach, it offers a striking vantage point of the bridge, most notably of the arch designed by chief engineer Joseph Strauss to save the fort from being demolished during the bridge's construction. Speaking of close saves – if Fort Point strikes a familiar chord, perhaps you recognize it from Alfred Hitchcock's Vertigo.

The dramatic scene when Kim Novak's character jumps into the bay and is rescued by Jimmy Stewart was shot here.

We will also visit the Walt Disney Family Museum as they celebrate their 10<sup>th</sup> year. Here you'll find animation, innovation and inspiration in the remarkable life story of Walt Disney – the man who raised animation to an art, tirelessly pursued innovations and created a distinctly American legacy that transformed the entertainment world. This Museum features contemporary, interactive galleries with state-of-the-art exhibits narrated in Walt's own voice alongside early drawings, cartoons, films, music, a spectacular mode of Disneyland and more.

The Walt Disney Family Museum presents *Mickey Mouse: From Walt to the World*, a celebration of animation's most beloved and recognizable character. This exclusive, original exhibition opens Spring 2019. This special exhibition chronicles Mickey's impact and influence on art and entertainment over the past nine decades and tells the story of his origin, rise to fame, and enduring world-wide appeal, juxtaposed with Walt Disney's inspiring and parallel story. Presented in conjunction with the museum's tenth anniversary, the exhibition will be displayed in the Diane Disney Miller Exhibition Hall from May 16, 2019 through January 6, 2020.

Guest curated by legendary animator Andreas Deja, in collaboration with co-curator Michael Labrie, *Mickey Mouse: From Walt to the World* features more than 400 objects, including rare and never-before-seen original sketches, character model sheets, and concept artwork, together with nostalgic merchandise, vintage photographs, and a variety of Mickey's earliest and most recent animated short films. We'll return back to the hotel this afternoon and the balance of the day is yours to explore!

**Day Three      November 7, 2019      Thursday**

Enjoy the morning at leisure – we are scheduled to leave the City at 2pm, giving you time to take a tour on land or sea or maybe enjoy shopping, visit Boudin Bakery for some fresh Sourdough bread & Clam Chowder or stroll over to Pier 39 and check out the unique shops and dining options there. Upon our departure from San Francisco we'll proceed home with comfort stops en route – with arrival back to Carson City/Sparks around 7pm.
