

SSA & SPARKS TRAVEL CLUB PRESENT
A CREATIVE DAY TO FEED YOUR SOUL

Thursday November 14th, 2019

"Nothing to it" a local cooking school that started in 1995 at the request of friends eager to improve their skills in the kitchen. The school has grown to a 6,000 square foot Culinary Center. We will enjoy our time here with lunch and have a demonstration taught by a master chef who will cook up some tasty hors d'oeuvres before our lunch of the Napa Valley style gourmet deli. Shop a kitchen store that has a wide variety of ingredients, appliances and accessories for people who love to cook. After lunch we will move on to our next adventure.

Study's say that art makes you mentally healthier, even if you are not good at it. "Pinots Palette" is an upscale "paint, drink, have fun" destination where anyone can be Van Gogh. They opened for business May 2009 in Texas, only starting small, hosting a wine & paint class 3 times a week. Before long word spread and they are now coast to coast. Creating over one million paintings with customers and not being able to keep track of the corks, they take pride in being your go to spot to relax, unwind & let loose. No art experience is required, in just a short time you will create a festive or whimsical painting
