Mannheim Steamroller Christmas by Chip Davis has been America's favorite holiday tradition for over 30 years! Grammy Award winner Chip Davis has created a show that features Mannheim Steamroller Christmas classics along with a selection of compositions from Chip's groundbreaking Fresh Aire series which introduced the distinctive Mannheim sound to all of America. The program celebrates the group's recent anniversary of 30 years since the first Christmas album and 40 years since the first Fresh Aire album and includes dazzling multimedia effects. You'll experience the magic as the spirit of the season comes alive!
