

**SSA & SPARKS TRAVEL PRESENT:
The 18th ANNUAL
EAGLES & AGRICULTURE**
Join us on a trip to the beautiful
Carson Valley
Saturday January 25th 2020

Eagles & Agriculture provides an opportunity to experience the influx of bald eagles and other birds of prey that come to the scenic Carson Valley during the winter calving season. This remarkable interaction between nature and agriculture attracts photographers, birders and nature-lovers of all kinds who come to closely observe bald and golden eagles, hawks, falcons, owls, and a variety of other bird and wildlife species. This event includes tours of multiple ranches accompanied by expert birders and historians. The migration provides a real-life education on the role ranching plays in providing habitat for wildlife. During the annual Eagles & Agriculture event, the birds are attracted to the region by the calf birthing

season where the afterbirth provides the high protein nutrients the birds of prey require. There will be spotting scopes to share at each ranch stop. Cameras and binoculars are strongly recommended to help make sure you see the most out of your trip. After touring you will enjoy a delicious Carson Valley Inn Buffet.
