

S.S.A. & Sparks Travel Club's Present:

Frey Ranch Estate Distillery & Churchill County Museum

Saturday March 28th, 2020

Join us for a tour (and tasting) of this historic and unique Frey Ranch, with roots dating back to 1918. In addition to planting, growing and harvesting a variety of crops, including corn, alfalfa, wheat and barley, Frey Ranch is home to Churchill Vineyards, Nevada's only estate winery. Owned and operated by Colby Frey and his wife, Ashley, Churchill Vineyards grows the grapes for and produces six high-quality wines. Nearly one year after releasing Nevada's first legally distilled spirit, they officially launched the state's first commercial estate distillery, known to Nevada for growing grains for, distilling, malting and bottling, gin, vodka and bourbon. The brand new, 4,700 square-foot distillery features a still room, tank room, barreling room and tasting room. The centerpiece of the distillery is a one-of-a-kind, custom-made Vendome still that is capable of producing 10,000 cases of spirits a month. Truly, a grain-to-glass operation, the scenic and spectacular Frey Ranch is a must-visit and is one of the only places in the country where visitors can enjoy tastings and tours of a quality estate vineyard and distillery.

Then we will head over to the Churchill County Museum & Archives for a hosted lunch and time for you to explore the history of Churchill County through both their permanent and temporary exhibitions. Learn the stories of the 40 Mile Desert and the immigrants who traveled this treacherous path. Established in 1968, and whose mission is to preserve and share the history of man and nature, this is the "Best Little Museum on the Loneliest Road in America".
