"Come From Away" is an uplifting musical based on the true story of when the isolated community of Gander, Newfoundland played host to the world. What started as an average day in a small town turned in to an international sleep-over when 38 planes, carrying thousands of people from across the globe, were diverted to Gander's air strip on September 11, 2001. Undaunted by culture clashes and language barriers, the people of Gander cheered the stranded travelers with music, an open bar and the recognition that we're all part of a global family. This TONY AWARD WINNING Broadway play and new musical "Come From Away" tells the heart-warming true story of how a small Canadian town cared for 6,579 airline passengers stranded there on 9/11. When 38 planes were diverted to its doorstep, the town of Gander doubled in size, hosting an international community of strangers and offering food, shelter and friendship. Featuring a rousing score of folk and rock, "Come From Away" honors the better angels of our nature, revealing hope and humanity in a time of darkness.
