

SSA & SPARKS TRAVEL PRESENT:

from the house of
GEKKEIKAN
the world's finest sake

The Gekkeikan Sake Tour & Folsom Prison Museum Wednesday June 24, 2020

Sake is made from the simple ingredients of rice and water. Containing no artificial additives, enhancers or sulfites, Gekkeikan sake is completely natural. It is also a great way to add unique flavor to your favorite dishes. It is perfect for use in stir-fries, marinades, sauces and a variety of other recipes. Tour their state-of-the-art brewery, beautiful koi pond and Japanese garden. The tasting room offers complimentary tasting of "Kobai" plum wine. As well as a variety of locally produced sakes. The gift shop offers a number of unique snack and gift items such as sake sets, Japanese dishes, dolls, and sushi-making accessories.

Then, you can still discover the reason for Johnny Cash's "Blues" at Folsom State Prison. Learn how the prison was fashioned from gray granite from the surrounding rock quarries. The museum features a wealth of photographs, old hemp ropes used to hang prisoners, memorabilia from Johnny Cash's famed concert shows, a hand-cranked Gatling gun, many inmate manufactured weapons and an eight-foot motorized Ferris wheel created by a prisoner in the 1930s, made of a quarter million toothpicks.
