

Silver Sierra Adventures & Sparks Travel Club present
Shasta Getaway
featuring Lassen Volcanic National Park & Shasta Lake
June 29-30th 2020

Join us as we head west and through the spectacular Cascade's for a visit to the Shasta Area. Following lunch on your own, we'll head to the Sundial Bridge where a local docent will join us to tell & show us the history of this amazing bridge. From its accurate Sundial to its glass walkway and its 700 uninterrupted feet across the Sacramento River it is truly an architectural beauty. We'll also visit the Turtle Bay Exploration Park next door with it's permanent, interactive exhibits. The experiences here include exhibits both indoors & out and a mix of richly layered interpretative material.

Check into our hotel this afternoon and have a little time to relax & unwind before we head to Shasta Lake and our private Dinner Cruise with Lake Shasta Cruises. We'll travel across multiple arms of Shasta Lake while you dine on mouthwatering cuisine. You will experience blue green waters, amazing sunsets and service that is unsurpassed. The great food, gorgeous views and warm hospitality will make for an exceptional evening.

Following breakfast on day two, we will travel to Lassen Volcanic National Park - home to steaming fumaroles, meadows freckled with wildflower, clear mountain lakes, and numerous volcanoes. On our Ranger overview & film we'll learn about its eruptive past and the hot water that continues to shape the land. We'll drive the scenic path and enjoy a picnic lunch along the way before we head back home.
