

Silver Sierra Adventures

Gift Certificates Now Available!

Silver Sierra Adventures is an active travel club sponsored by Frontier Travel & Tours. Operating tours from the Carson City area for over 25 years the club takes group adventures as close to home as show tours at the Eldorado and long distance Motorcoach tours to destinations such as the Canadian Rockies, Branson, the Southwest and much more! Our tours are designed by request of our group members.

Now friends and family of our members have the opportunity to purchase Gift Certificates from Frontier Travel & Tours for our members to use on any of their upcoming trips. Gift Certificates may be purchased for any dollar amount (\$25 minimum) and the amount purchased will remain on the member's records until they tell us which trip to apply it to. Gift Certificates may be purchased by check, Visa, MasterCard or Discover cards. The actual gift certificate does not need to be presented for use. They do not expire and can be transferred to any departure. In the instance that a member becomes unable to travel and has a credit on file, a check will be issued to the member upon request.

Frontier Travel & Tours will prepare the gift certificate in the purchaser's name and either mail to the member or the person that purchases it at their request. We have general gift certificates or themed, such as Christmas or Birthdays.
